## SUPPLEMENTARY INFORMATION

### 1 Increase in Offer price to A\$1.075 per Cardinal Share

---

On 22 December 2020, the Bidder announced its intention to increase its Offer price from A\$1.05 to A\$1.075 per Cardinal Share, subject to both of the following conditions (**Price Increase Conditions**) being satisfied:

- Shandong Gold acquiring a relevant interest in at least 30% of all Cardinal shares by 7.00pm (Sydney time) on Thursday 31 December 2020; and
- the offer period for the on-market takeover offer by Nord Gold S.E. (**Nordgold**) for all of the shares in Cardinal (**Nordgold Market Offer**) not being extended beyond the close of trading on ASX on 23 December 2020.

As announced by the Bidder on 24 December 2020, the Price Increase Conditions have been satisfied and, accordingly, the Bidder's Offer price has been increased from A\$1.05 to **A\$1.075** cash per Cardinal Share.

The increased Offer price represents a premium of:<sup>1</sup>

- 2.4% to the Nordgold Offer price of \$1.05 per share announced on 11 December 2020;
- 330% over the closing price of \$0.25 of Cardinal Shares on 13 March 2020 (being the last unaffected share price prior to the Nordgold Indicative Proposal);

---

<sup>1</sup> Source: IRESS Limited. As permitted by ASIC *Corporations (Consents to Statements) Instrument 2016/72*, this paragraph contains ASX trading information sourced from IRESS Limited without its consent.

- 214% over the 20-day volume weighted average price of \$0.342 of Cardinal Shares up to 13 March 2020 (being the last trading day prior to the Nordgold Indicative Proposal); and
- 197% over the 6-month weighted average price of \$0.362 of Cardinal Shares for the period up to 13 March 2020 (being the last trading day prior to the Nordgold Indicative Proposal).

Cardinal Shareholders are encouraged to accept the Bidder's Offer without delay in order to receive the benefit of the **A\$1.075** Cash Consideration.

The increased Offer price will apply to all Cardinal Shareholders who accept the Bidder's Offer, including Cardinal Shareholders who have already accepted the Offer.

Annexure A includes a copy of the formal notice under section 650D of the Corporations Act in respect of the increase in Offer price.

## 2 Cash Consideration

---

Based on the number of Cardinal Shares on issue as at the date of this Fourth Supplementary Bidder's Statement, the maximum amount of cash that would be payable by the Bidder under the Offer if acceptances were received for all Cardinal Shares (including the Employee Shares) is approximately \$567.98 million.

As at the date of this Fourth Supplementary Bidder's Statement, the Bidder understands that Cardinal has 11,746,015 Options on issue.

If the holders of all the Sale Options are legally permitted to exercise, and do exercise, those Cardinal Options, and accept the Offer in respect of the Cardinal Shares issued to them, approximately \$12.63 million additional Cash Consideration will be payable in accordance with the Offer.

Accordingly, the maximum Cash Consideration which may be required to settle acceptances under the Offer is approximately \$580.60 million.

On the basis of the arrangements described in the Bidder's Statement and the First Supplementary Bidder's Statement, the Bidder is of the opinion that it has a reasonable basis for holding the view, and holds the view, that the Bidder will be able to provide 100% of the Cash Consideration offered under the Offer.

## 3 Acquisition of Cardinal Shares on-market

---

The Bidder refers to the First Supplementary Bidder's Statement in which it was disclosed that the Ontario Securities Commission had exempted the Offer (as amended, supplemented or replaced) from the requirements applicable to take-over bids in Part 2 and Part 3 of National Instrument 62-104 *Takeover Bids and Issuer Bids* (**Canadian Relief**).

As the Bidder has now obtained the Canadian Relief, the Bidder is no longer subject to the restrictions set out in Section 8.11 of the Bidder's Statement, including, among other things, that the Bidder will publish a press release detailing the on-market purchases made after the close of business each day and that the number of Cardinal Shares that the Bidder acquires on-market will not exceed 5% of the outstanding Cardinal Shares (collectively, the **Canadian Restrictions**).

Accordingly, the Bidder reserves its right to conduct on-market purchases of Cardinal Shares unrestricted by the Canadian Restrictions from time to time in accordance with item 2 of section 611 of the Corporations Act and at the Offer price of A\$1.075.

## 4 Bidder has acquired control of Cardinal

---

As announced by the Bidder on 24 December 2020, the Bidder had acquired a relevant interest in more than 50% of all Cardinal Shares. As at 7.00pm (Sydney time) on 24 December 2020 (being the last Business Day before the date of this Fourth Supplementary Bidder's Statement), the Bidder held a relevant interest in 51.26% of all Cardinal Shares, giving the Bidder effective control of Cardinal.

In accordance with the terms of the Bid Implementation Agreement, the Bidder may now nominate a majority of members to the Cardinal Board and Cardinal will procure such appointment. The Bidder intends to exercise its rights and propose representatives for appointment to the Cardinal Board in due course. The Bidder may also exercise its control of Cardinal in accordance with the intentions set out in Section 5 of the Bidder's Statement.

## 5 Extension to Offer Period

---

As a result of the Offer price being increased to \$1.075 per Cardinal shares on 29 December 2020, being within the last 7 days of the Offer Period, in accordance with section 624(2) of the Corporations Act, the Offer Period has been automatically extended for 14 days from the date the Offer price was increased.

The Offer is now due to close at 7.00pm (Sydney time) on **12 January 2021** (unless extended).

Annexure B includes a copy of the formal notice under section 624(2) of the Corporations Act in respect of the extension to the Offer Period.

## 6 Acquisition of Sale Options

---

The Bidder has entered into an Options Assignment Deed with each holder of Sale Options for the assignment of their Sale Options to the Bidder in exchange for the Ascribed Value applicable to the relevant Sale Options. The key terms of the Options Assignment Deeds are set out in Section 8.4 of the Bidder's Statement.

All of the conditions to each Options Assignment Deed have been satisfied. The Bidder will proceed to acquire all of the Sale Options in accordance with the terms of the Options Assignment Deed.

## 7 Why you should accept the Offer

---

### 7.1 No competing takeover offer Cardinal currently on foot

The Bidder wishes to highlight that, as at the date of this Fourth Supplementary Bidder's Statement:

- the Nordgold Offer has expired;
- the offer period in respect of the conditional off-market takeover offer for all of the ordinary shares in Cardinal announced by the Engineers & Planners Company Limited on 24 November 2020 has not yet opened;
- the proposed off-market takeover offer for all Cardinal Shares by Dongshan Investments Limited (**Dongshan**), as announced by Cardinal on 24 December 2020, contains conditions that are inconsistent with the Bidder having acquired a relevant interest in excess of 50% of Cardinal and it seems highly improbable that the announced conditions will be satisfied; and
- the Bidder is not aware of any other takeover offer having been made by a third party for all of the ordinary shares in Cardinal.

Accordingly, the Shandong Gold Offer is the only unconditional takeover offer for Cardinal open for acceptance as at the date of this Fourth Supplementary Bidder's Statement.

### 7.2 The Cardinal Board unanimously recommends that you accept the Offer, in the absence of a Superior Proposal

As at the date of this Fourth Supplementary Bidder's Statement, the Cardinal Board continues to unanimously recommend that Cardinal Shareholders accept the Offer in the absence of a Superior Proposal.

On 15 September 2020, the directors comprising the Cardinal Board who collectively held approximately 6.07% of issued Cardinal Shares accepted the Offer in respect of all Cardinal Shares that they owned or controlled as at that date.

### 7.3 The Offer represents a significant premium to Cardinal's historic trading prices

The Cash Consideration of \$1.075 cash per Cardinal Share represents a significant premium to historical trading prices.

The increased Offer price represents a premium of:<sup>2</sup>

- 2.4% to the Nordgold Offer price of \$1.05 per share announced on 11 December 2020;
- 330% over the closing price of \$0.25 of Cardinal Shares on 13 March 2020 (being the last unaffected share price prior to the Nordgold Indicative Proposal);
- 214% over the 20-day volume weighted average price of \$0.342 of Cardinal Shares up to 13 March 2020 (being the last trading day prior to the Nordgold Indicative Proposal); and
- 197% over the 6-month weighted average price of \$0.362 of Cardinal Shares for the period up to 13 March 2020 (being the last trading day prior to the Nordgold Indicative Proposal).

### 7.4 The Offer is an all cash Offer providing Cardinal Shareholders with certain value

The Offer provides Cardinal Shareholders with an opportunity to realise full and certain value for your entire Cardinal holding.

If you accept the Offer you will be paid:

- A\$1.075 cash per Cardinal Share;
- 3 business days after the date of receipt of your valid acceptance.<sup>3</sup>

The Bidder's all cash offer can be contrasted with the risks associated with remaining a Cardinal Shareholder, which is subject to market fluctuations.

If you choose to retain your Cardinal Shares, you may face risks associated with reduced liquidity leading to uncertainty as to the future monetisation of your investment.

### 7.5 Conditions to the Dongshan Proposal are unlikely to be satisfied

On 24 December 2020, Cardinal announced that Dongshan intended to make an off-market takeover offer to acquire all of the issued capital of Cardinal, subject to a number of conditions including a 50.1% minimum acceptance condition, FIRB approval and other regulatory approvals, obtaining committed financing and completing due diligence on Cardinal and the Namdini Project (**Dongshan Proposal**).

In light of the Bidder already having voting power in Cardinal in excess of 50%, it is clear that the 50.1% minimum acceptance condition attached to the Dongshan Proposal will not be satisfied. The other conditions to the Dongshan Proposal are also highly improbable to be satisfied, either at all or in a short period of time.

In contrast, the Offer by the Bidder is unconditional, and Cardinal Shareholders who accept the Offer will be paid the Cash Consideration of \$1.075 per Cardinal Share within 3 Business Days.<sup>4</sup>

<sup>3</sup> Payment will be dispatched within 3 business days of acceptance.

<sup>4</sup> Payment will be dispatched within 3 business days of acceptance.

## 7.6 Significant risk of the Cardinal Share price falling when the Offer closes

The closing Cardinal Share price on 18 June 2020, being the last trading day prior to the Announcement Date was, \$0.465.

The Cardinal Share price may trade at levels below the Offer price once the Offer (and any other offer available at that time) have lapsed, although this is difficult to predict with any degree of certainty. As a result, Cardinal Shareholders who have not accepted the Offer before it lapses may not have another opportunity to sell their Cardinal Shares for \$1.075 per Cardinal Share.

## 7.7 Risks of remaining a minority shareholder of Cardinal

If you do not accept the Offer and the Bidder, having acquired a relevant interest in more than 50% of Cardinal Shares, does not become entitled to compulsorily acquire all outstanding Cardinal Shares, you will become a minority Cardinal Shareholder.

Being a minority Cardinal Shareholder may have the following potential implications:

- the price at which Cardinal's Shares are traded on the ASX or the TSX is highly likely to fall and trade at a material discount to the Offer price;
- the market for Cardinal Shares will likely become highly illiquid;
- if Cardinal ceases to have the required spread of shareholders as required under the ASX Listing Rules or the TSX Company Manual, or if the Bidder seeks to have Cardinal delisted, Cardinal may be removed from the official list of ASX or TSX (as applicable). If this occurs, you will no longer be able to sell your Cardinal Shares on the ASX or the TSX which may make it difficult for you to sell your Shares should you seek to do so; and
- acceptance of the Offer eliminates your exposure to the risks inherent in any new mine development, which includes financing, operational and regulatory risks. In particular, the development of the Namdini Project will require substantial capital to reach production. Cardinal's Feasibility Study Report estimated US\$390 million of pre-production capital expenditure. To finance the development of the Namdini Project, Cardinal would be required to raise substantial funds through debt (if it can be obtained on acceptable terms), quasi-equity and/or equity. Any such quasi-equity or equity raise would likely result in the dilution of your ownership interest in Cardinal, unless you invest further capital in Cardinal.

If you do not accept the Offer and remain a minority Cardinal Shareholder, these factors may make it more difficult for you to sell your Cardinal Shares outside the Offer and also difficult to realise a price that reflects the value of Cardinal for your Cardinal Shares in the future

Accordingly, the Bidder's Offer eliminates the uncertainty relating to being a minority Cardinal Shareholder.

## 8 Next steps

---

### **The Bidder urges all Cardinal Shareholders to ACCEPT the Offer without delay.**

As announced on 19 October 2020, the Bidder has waived the requirement that Cardinal Shareholders must send their completed Acceptance Form to Computershare by post. Accordingly, Cardinal Shareholders can now, in addition to returning the Acceptance Form by post, accept the Offer by submitting a scanned copy of their completed and signed Acceptance Form (together with all documents required by the instructions on the Acceptance Form) by email to [corpactprocessing@computershare.com.au](mailto:corpactprocessing@computershare.com.au) prior to the end of the Offer Period.

Cardinal Shareholders with any queries please contact the Offer Information Line on 1300 148 804 (toll free within Australia) or +61 3 9415 4305 (from outside Australia), Monday to Friday between 9.00am and 5.00pm (Sydney time).
